

Porovnej mezi sebou vyдру a bobra. Co mají společného? Čím se od sebe liší? Začni tím, jak jsou přizpůsobeni životu ve vodě.

A large Venn diagram consisting of two overlapping circles. The left circle contains an illustration of an otter. The right circle contains an illustration of a beaver. The overlapping area in the center contains illustrations of a small otter and a small beaver. Each of the three regions (left, center, right) is filled with horizontal dotted lines for writing.
